Dear Mr. Levin:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Line 11(a)(i) of the Detailed Summary Page of your report discloses a total of \$75,069.61 in receipts from individuals. The sum of the entries itemized on Schedule A, however, indicates the total to be \$76,069.61. Please amend your report to clarify the discrepancy.

-Schedule B supporting Line 23 discloses a contribution(s) to a federal candidate(s) for debt retirement (pertinent portions attached). Please provide the election year that this contribution(s) should be attributed to.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Lost checks should be reported under the appropriate category of disbursements as negative entries. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter.
